15. Warranty provision:

52.212-4 (o) (TAILORED)

The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. In the event that the terms of the contractor's standard commercial warranty conflict with the warranty terms contained in this clause, the terms of this clause will govern this contract, unless some other resolution is specified in the award document.

52.212-4 (p) (TAILORED)

Limitation of liability: Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.

Supplemental Commercial/FSS Warranty:

This quality medical instrument is under warranty to be free of manufacturing defects for a "one year" period after the original date of issuance. Electronic Waveform Lab, Inc. pledge that should there be any defects in material and/or workmanship during the first year, we will repair or replace. Electronic Waveform Lab, Inc. will pay for return transportation provided it is delivered prepaid to our authorized service facility.

If you have any questions, problems or concerns please contact the EWL/H-Wave representative that issued the device to you, visit our website at: www.h-wave.com or call our corporate headquarters. If your H-Wave® needs to be sent in for repair please contact us for instructions. The H-Wave ® device is a government regulated prescription medical device that must only be opened or serviced by the manufacturer at our authorized service facility.

Electronic Waveform Lab, Inc., 800-874-9283 ext. 254, <http://h-wave.com/>

Return Policy

If a shipping error occurs due to Contractor's error, the Contractor will pay freight both ways for return/exchange of products. If an ordering facility error occurs, the ordering facility will pay return freight. No restocking fees will apply either way. Please call Electronic Waveform Lab, Inc. service department for a return to manufacturer authorization (RMA#) at, 714-843-0463 ext. 247.

All H-Wave ® devices sold by Electronic Waveform Lab, Inc. have a 30 day return policy. If a customer is not happy with the results he or she is seeing in the first 30 days or feels that they do not want and or need the device there will be no charge whatsoever; Electronic Waveform Lab will issue a 100% refund or credit immediately. Electronic Waveform Lab, Inc. will send pre-paid shipping label for device return.

H-Wave ® Product Training

Each H-Wave® device delivered comes with an instruction manual indicated and cleared by the FDA. With that said the ordering agency may have additional questions regarding the device and its usage. In that case H-Wave® provides unlimited support and training at no additional charge.

To arrange training or to request documents please contact the H-Wave® government support department:

Sonya Quezada
govsupport@hwave.com
800-874-9283 ext. 254 or dial direct at 714-500-4054

The training coordinator is available to answer questions about the products during business hours (Monday-Thursday 8am-5pm, Friday 8am-12noon). If desired, the training coordinator can also arrange for a local representative to visit the ordering agency. Copies of the H-Wave ®

Electronic Waveform Lab, Inc., 800-874-9283 ext. 254, <http://h-wave.com/>

Home Use Manual and H-Wave® electrode placement guide will be made available upon request in either electronic or paper format to the ordering agency.
